REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or render obvious the overall claimed invention of a suture removal instrument comprising: a first and second conductive member extending from a insulated distal portion of an elongated body in a parallel fashion, being substantially straight along their respective longitudinal axes; and a resistive heating element extending in a linear fashion between the first and second conductive members, wherein the resistive heating element is affixed at its proximal end to the distal end of the second conductive member and at its distal end to a tapered tip of the first conductive member such that the resistive heating element forms an acute angle with the longitudinal axis of the first conductive member, the angle dictated by the respective lengths of the conductive members and the spacing there between.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

2. The drawings were received on 2 August 2005. These drawings are accepted by the Examiner.
